Pack 614 Scouters,

It is that time of year when we Pack 614 Cub Scouters say farewell to some of our own. Pack 614 Webelos II scouts will be bridging to Boy Scouts in an "Arrow of Light" ceremony. Our Webelos II scouts' "Arrow of Light" ceremony will take place at the Scripps Ranch Library on Monday, March 3rd at 6:00PM. All scouts attending this ceremony must be in full uniform. It has been wonderful having these Webelos II scouts and their families involved in our pack over the recent years. Pack 614 says good bye and good luck to our Bridging Webelos II scouts.

The Scouting for Food Program is now taking place. I hope that most of our Pack 614 scouts are participating in this worthy community service program. All scouts involved should have distributed their food donation bags on Saturday, March 1st. Scouts may also collect additional food donations through their classmates' families at school during the week of March 3rd - 7th. All food donations collected are to be dropped off at Lettie Cederquist's home at 12150 Creekside Court between 11:30AM to 1:00PM on Saturday, March 8th.

The Scout Fair at Qualcomm Stadium takes place on Saturday, April 19th, from 9:00AM to 4:00PM. There will be a Belt Loop Alley at the Scout Fair for cub scouts to earn various Belt Loops. Pack 614 will be operating a Geology Belt Loop Booth at the Fair. The pack is looking for scouts and parents to help run the Geology Booth at various times during the fair. More info regarding our Geology Booth will be e-mailed to all pack members in the near future.
